

This map displays the designated area for land development and other construction regulations within Maiko City, Tochigi Prefecture. The city's administrative boundary is shown as a dashed line, while the specific designated area is highlighted in pink. The map features a network of roads, including National Route 121 and Route 408, and several rivers such as the Tone River and Arakawa River. Key locations like Maiko City, Maiko Station, and various local towns and villages are labeled. The map also includes a legend in the bottom right corner, a north arrow, and a scale bar.
